National 4-H Week - Manifesto

120 years ago, we were ready.

Ready to get our hands dirty,
Ready to learn by doing,
Ready to push the power of youth forward.
And as our inspiration grew, so did we.
When we expanded into every corner of America,
We were ready.
Ready to ask questions about the world,
To show up for our community,
To become the leaders we were always meant to be.
And when we evolved into the unstoppable force we are today.

We were ready.
Ready to open our arms to every opportunity
Every path,
And every child -
Generation after generation.

Over six million of us have been inspired by 4-H.
It's time to inspire six million more.
We were ready then. We're beyond ready now.
After all, it's always been in our DNA.
Beyond ready for school
Beyond ready for work
Beyond ready for life-
And everything that comes with it.

4-H Council

4-H Council 101

4-H Council is an organization that represents the views of each club. As a representative, you represent your club's viewpoints during 4-H Council. The representatives are responsible for taking information back to the 4-H Club. If a representative must be absent, it is recommended that a replacement be found for that meeting. Next meeting, November 18, 7pm. in the Assembly Room at the Cowley County Extension Office.

Facts about 4-H Council:

- Meetings last about 45 minutes.
- All meetings begin at 7:00 p.m.
- Meetings are held at various locations, TBA.
- 4-H Council has a President, Vice President, Secretary/Reporter and Treasurer.
- Officers are elected at the September meeting.
- There are 6 meetings held in a year.
- Meetings are generally held on the third Monday of every other month; exceptions January and July.
- Meetings for the 2024/2025 4-H Program year are:
- November 18th, January 20th, March 17th, May 19th, July 24th and September 15th.

What to Expect:

- Council meetings are called to order by the President. A person is selected by the President to lead the group in the flag salute and 4-H pledge.
- Officer reports are given, followed by an agent report.
- Committee reports are given.
- New business is discussed and votes are taken.
- Announcements are offered, followed by adjournment.

Congratulations to the

2024/2025

4-H Council Officers!

4-H Junior Leaders

The purpose of the 4-H Junior Leaders club is to help members:

- 1) build self-confidence
- 2) relate to others
- 3) develop concern for the community and others in it
- 4) use knowledge, skills and values in making decisions
- 4) develop an inquiring mind. These aims are to be implemented by encouraging members' participation in planning and involvement in meetings, individual or group projects, tours or field trips, camps and other community or county activities.

Any youth 12 and older are invited to participate.

Next meeting is October 21, 6:00pm. In the Assembly Room at the Cowley

Congratulations to the

Club Financial Review

Clubs need to complete a financial review for the 2024 4-H program year. It is important to note that the club financial review is NOT an audit. It is simply a committee of two adults and two youth (not related, and not the current treasurer) reviewing the club's financial documents and record keeping to ensure that the club is following Kansas 4-H Policy.

Club financial reviews for Cowley County are due in the Extension Office by **November 1, 2024**.

The information about Extension Law and the policy for Financial Reviews is listed below:

****Please note:** If your club does not complete a Financial Review, you risk losing your club charter and the ability to operate as a 4-H club in Cowley County.

Kansas Extension law requires that the Director for Extension (at K-State) and the Extension Board (our local board) are accountable for funds raised and/or collected by 4-H Clubs and 4-H Councils. In order for the local Extension unit to ensure compliance with financial requirements for 4-H and other Extension affiliated groups, a yearly financial review of those accounts is to be conducted by a Financial Review Committee of the club/group.

Approval of the reports should be documented by the local unit board, **recording in their minutes a motion to approve the reports, including in the minutes the name of each club/group that is being approved.** This review and board approval is **required** of all clubs/organizations. It is expected to have reviews completed and reports submitted to the local unit Extension office by November 1st.

Club Organizational Reports

Please complete and turn in one copy of the Club Organizational Report to the Cowley County Extension Office by November 1, 2024. (click on the link or find it at www.cowley.k-state.edu) This information should include the upcoming officers and committees for 2024/2025.

Project Meetings

Leadership Project Meetings

Do you know what it means to be a leader? Is your 4-H record book or pin application lacking in the leadership category? Enroll in the leadership project for the 2025 4-H program year. Throughout the year, we'll look at what it means to be a leader, how leadership affects you and learn how to polish up your awards and leadership skills. The leadership project meetings are geared toward 4-H members who want to increase their leadership skills. They're also geared toward 4-H members who want to learn how to write successful award applications (record books) or resumes and be successful in interviews. Project meetings will be led by Kelsey Nordyke. By spring, you will have a completed resume or a nearly completed 4-H record book/fair exhibit. Enroll in 4-H and the leadership project on October 1, then email klordyke@ksu.edu with the days/times that work best for you to meet. Meetings will be scheduled soon.

Bluegrass 2024

Another successful year! If your club didn't work a Bluegrass shift you missed out on an easy fundraiser. Final numbers aren't figured yet, watch the November Flash for an update.

A huge **thank you** to the rockstar foodstand managers, Jacque Arnett and Melissa Berry. And thank you to all the clubs who worked to keep the 4-H food stand open and keep the great reputation going with the Bluegrass audience.

State Volunteer Policy Information

While volunteerism is crucial to the success of 4-H, it is a privilege, not a right to be a 4-H volunteer. Volunteers are expected to adhere to the Kansas 4-H Volunteer Code of Conduct. Volunteers may be dismissed from service at any time.

Volunteer Enrollment

All 4-H volunteers must [enroll](#) annually in the unit in which they serve and complete the following initial steps: 4-H Online profile, References, Criminal History, Interview, Orientation, and Approval.

Required Volunteer Screening All individuals who work directly with youth are required to complete the Kansas 4-H volunteer screening process, which includes a criminal background check. Volunteer screening is done in order to ensure a safe, positive, and nurturing environment for all youth involved with the Kansas 4-H program and provide protection for the child, the volunteer, the K-State Research and Extension professional, the extension board, and K-State Research and Extension.

Kansas 4-H Volunteer The following guidelines should serve to ensure adequate screening of volunteers: Adults providing direct supervision to youth at a 4-H program; make decisions on behalf of the 4-H program; have access to private data of 4-H youths or volunteers; and/or handle funds as part of 4-H must complete the volunteer screening process, be accepted, and enrolled as a Kansas 4-H volunteer.

Process steps include: 4-H Online profile, References, Criminal History, Interview, Orientation, and Approval

These roles will include, though may not be limited to:

- ✿ Organizational (project) club leaders
- ✿ Chaperones for any overnight events
- ✿ Volunteers who will have access to funds raised on behalf of 4-H
- ✿ Volunteers who will have access to confidential records or information

Kansas 4-H Policy

Club Financial Info

Kansas 4-H Policy, Section 7.4.2: Approved Volunteers as Signatories on 4-H Club Accounts "Clubs/ Groups and other Extension affiliated groups need to have at least two screened, nonrelated, and board-approved adult volunteers as signatories on 4-H Club accounts." The Cowley County Extension Council Executive Board requires that two volunteer-screened, board appointed volunteers serve as the adult signatories on all 4-H club accounts. If a club does not have two screened and appointed community leaders, the second signature shall be the Extension Council Treasurer(Kent Miller). Clubs MUST update their signature cards *annually*. TIP: Make sure that your meeting notes document who was elected to the various offices. Your minutes should also state the names of the two adult volunteers that should be added to the signature card.

Parliamentary Procedure

Did you know that Parliamentary procedure is an orderly way to conduct a meeting, a fair way to make a group discussion, respects everyone, gives everyone a chance to speak, used in groups everywhere, and majority rules while minorities are protected.... The proper way to make a motion is to say "I move..". The proper way to second a motion is to say "I second the motion." If you want to amend (change) a motion you should say "I move to amend the motion by...." A motion to adjourn the meeting is done so by stating "I move to adjourn this meeting." A motion to adjourn needs a second, no discussion needed, and must be voted on right away! Did you know there are over 30 different types of motions! These are some simple ones and the majority of the ones that you will utilize in your 4-H Club meeting. Remember, STAND UP when you are speaking and only one person speaks at a time!

Fall For Extension

K-State Research & Extension Cowley County delivers educational programs related to Agriculture and Natural Resources, Family and Consumer Sciences, 4-H/Youth Development and Community Development. Local programs are implemented by Extension Agents with volunteer assistance for Cowley County residents and communities.

We are funded by allocations from Kansas State University and Cowley County Commissioners. To help with the impact of budget cuts, our supporters formed a “Friends of Cowley County Extension” group to raise awareness and financial support.

The Friends of Cowley County Extension will be hosting our 8th annual “Fall for Extension” charity dinner with raffle drawings and live/silent auctions on Saturday, November 23 in Arkansas City, Kansas. This event is open to the public and dinner tickets go on sale October 1 (\$30/seat or \$225 for a table for 8). Based on past attendance, we expect 250+ people at our event.

We are collecting donations for the live and silent auctions. Auction items are featured in our printed auction catalog and promoted on social media. You can view past catalogs on our website at cowley.k-state.edu/friends/untitled.html. We also accept financial contributions and donations are requested by October 31, 2024 so they can be included in marketing and our printed catalog.

We appreciate your consideration to partner with our planning committee. Please contact the Extension Office with additional questions.
